Summer has begun, with the warmer weather, we will be spending more time outside. Please remember to apply sun screen to your child every morning before you leave for school. We have different activities planned for the summer. The children will still have circle time everyday with singing songs, learning the ABC's, practicing their writing and crafts. We will also use our water table, bounce house, play in the sprinklers and play games.

If you have not turned in your re-enrollment packets, please do so as soon as possible. Thank you all for your input with the Preschool / Teacher Evaluations and if you have not turned yours in yet, please do so.

A Note From Pastor Robert:

We are looking forward with excitement for our summer program, Vacation Bible School and other special events planned. I would like to remind everyone the importance of water safety, drowning is the leading cause of injury death of children under the age of five. Please read the attached "Drowning Prevention Tips".

July also bring to mind Independence! The 4th of July and our celebration of FREEDOM! We know that it isn't free, but it was secured by many men & women who stood up for their beliefs. We also know that God has secured our freedom on the cross, and we gain those benefits by our belief in Him. Thank God for our political and more importantly our spiritual freedoms!

We all pray you have a great and safe summer and may God continue to cause your child and your family to grow closer to Him and one another.
